CHEMUK 2023 Testimonials

- “CHEMUK 2023 was Disney for Chemists!” **Section Head, Concept Life Sciences**
- “There is nothing like this in the UK and is a must for anyone working in the chemical industry..” **Operations Director, Eternis Fine Chemicals UK Ltd**
- “I really enjoyed attending CHEMUK 2023, this was a great event to meet new customers and contacts. I look forward to attending CHEMUK 2024 next year.” **Commercial Director, Sulfo Surfactants Ltd**
- “CHEMUK never fails to get better every year, we had a busy show and some fantastic leads, we have already booked again for next year” **Marketing Director, Flowquip & Flowhire**
- “We exhibited at this exhibition for the first time, and I can only say, ‘Well done! The mix of visitors was fantastic which is helped by the versatile spread of exhibitors. We took 115 leads from this event, so needless to say, we have rebooked for next year”. **Product Group Leader, Caldic UK**
- The show was buzzing from the first morning and we hardly stopped for breath! People looking for pump system builders and for solutions to the more difficult pumping applications visited us in their droves. **Sales Engineer, Marshall Pumps**
- A very well organised and well-attended conference. It was a pleasure to attend ChemUK for the first time, and we can't wait to return next year to see our customers and make further connections. **Senior Chemist, Life Science - Safic Alcan**
