

DAY 2 – THURSDAY 2nd MAY 2019

TIME	STAGE	TITLE	SPEAKER/ORGANISATION	TRACKS
09:15 – 09:40	Stage 1	Wider Chemical Strategy - Deal or No Deal	David Hill, Director for Environmental Quality Directorate at DEFRA	Business/Operational; HSE/Regulatory
09:40 – 10:00	Stage 1	Reducing the Environmental Impact of Ocean Plastics Derived from Waste Paints	Dr. Benjamin Naden, Senior Research Scientist – PRA World	Sector Focus; HSE/Regulatory; Green/Sustainability
09:40 – 10:00	Stage 2	Extending Equipment Reliability Through Improving Bearing Life	Richard A.L. Smith, Business Development Manager – AESSEAL (AVTPUMP)	Process/Control; Business/Operational
10:00 – 10:15	Stage 1	Good Safety Leadership	Peter Davidson, Executive Director – Tank Storage Association	HSE/Regulatory; Skills & Training; Logistics/Contract
10:00 – 10:30	Stage 2	Sustain-a-what-ability?	Dr. Geoff Mackey, Corporate Affairs & Sustainability Director – BASF plc	KEYNOTE ; Green/Sustainability; HSE/Regulatory
10:15 – 10:30	Stage 1	Intelligent procurement of industrial packaging to minimise costs and maximise environmental compliance	Phil Pease, CEO – The Industrial Packaging Association	HSE/Regulatory; Logistics/Contract; Business/Operational
10:30 – 10:45	Stage 1	Total Cost of Ownership Solids Handling & Processing	Ian Birkinshaw, General Secretary – Association (SHAPA)	Process/Control; Logistics/Handling; Business/Operational
10:30 – 10:45	Stage 2	An overview between the REACH requirements for chemical ingredients and cosmetics regulation	Dr. Mojgan Moddaresi, Director – Personal Care Regulatory Ltd	Chemicals/Ingredients; HSE/Regulatory; Sector Insight
10:45 – 11:00	Stage 1	How better human understanding is the only way forward	Craig Scott, Director - Mingle	Business/Operational; Skills/Training
10:45 – 11:00	Stage 2	Developments in risk assessment and regulation requirements for polymers	Dr. Mark Pemberton, Director – Global MSDS Ltd	HSE/Regulatory; Sector Insight
11:00 – 11:15	Stage 2	Competence of the Bolted Flange Assembler Global Perspective	Gary Milne, Academy Technical Director – Flexitallic UK Ltd / Academy of Joint Integrity	Skills & Training; HSE/Regulatory
11:15 – 11:30	Stage 2	CPSA (Certified Pump System Auditor)	Gary Wilde, Technical Services Officer – British Pump Manufacturers Association (BPMA)	Process/Controls; Skills/Training
11:30 – 12:00	Stage 2	#IS ANYONE LISTENING? GETTING THE BUSINESS VOICE HEARD	Peter Newport, Chief Executive – Chemical Business Association	KEYNOTE ; HSE/Regulatory; Business/Operational
Hosted by: British Association of Sealants & Adhesives (BASA)				
11:00 – 11:20	Stage 1	Brexit an impact on Chemical Regulation for UK A&S manufacturers Part of BASA daily feature session	Caroline Raine, NCEC & BASA Consultant Consultant on transport of dangerous goods and poisons centres	HSE/Regulatory; Business/Operational; Logistics/Contract; Sector Insight
11:20 – 11:40	Stage 1	The role of adhesives in securing sustainability and innovation Part of BASA daily feature session	Jenny Barnett, SHEQ Manager, F Ball and Company Ltd	HSE/Regulatory; Green Sustainability; Sector Insight
11:40 – 12:00	Stage 1	Preservatives and advocacy for preservation of formulated adhesives and sealants Part of BASA daily feature session	Lorna Williams, BASA Executive Officer and General Secretary – BASA	HSE/Regulatory; Sector Insight; Chemicals/Ingredients;
12:00 – 12:15	Stage 1	Control of VOC Emissions from Storage Tank Farms	Ewart Cox, Managing Director – Assentech Ltd	HSE/Regulatory; Logistics/Contract
12:00 – 12:30	Stage 2	Battery materials – a £2.7bn opportunity for the UK chemical sector	Dave OudeNijeweme, Head of Technology Trends, Advanced Propulsion Centre;	KEYNOTE ; Sector Insight; Business/Operational Green Sustainability
12:15 – 12:30	Stage 1	A Closed Chemical System for Regulatory Compliance – Case Study	Martin Willis, International Sales Manager, IPI Global Ltd	HSE/Regulatory; Process Control; Logistics/Contract
12:30 – 12:45	Stage 1	Best practice response to a hazardous materials spill	Craig Thomson, Associate Director – National Chemical Emergency Centre	HSE/Regulatory; Logistics/Contract

DAY 2 – THURSDAY 2nd MAY 2019

TIME	STAGE	TITLE	SPEAKER/ORGANISATION	TRACKS
12:30 – 13:00	Stage 2	Chemical Industries Association KEYNOTE	Steve Elliott, Chief Executive, Chemical Industries Association (CIA)	KEYNOTE; Business/Operational; HSE/Regulatory
12:45 – 13:00	Stage 1	Understanding why static electricity is an ignition source in combustible atmospheres	Sean Makin, UK Sales – Newson Gale Ltd	HSE/Regulation; Skills & Training; Process Control
13:00 – 13:30	Stage 1	Importance of Safety in the chemical distribution industry	Ingo Legermann, HSE Manager, Brenntag EMEA	KEYNOTE; HSE/Regulatory; Logistics/Contract; Business/Operational
13:00 – 13:20	Stage 2	Leading Digital Transformation within a traditional industry	Mo Chowdhury, Jr. Incubator Lead – AkzoNobel	Digital/Tech; Business/Operational
13:30 – 14:00	Stage 1	Daily 'Skills Development/CPD' session – hosted by The Royal Society of Chemistry (RSC)	RSC Speaker – Dr. Jonelle Harvey, MSci MRSC Professional Standards Specialist Guest speaker: Dr. Paul Ferguson FRSC CChem, Associate Principal Scientist – AstraZeneca Separation Science	Skills/Training; Business Operational
13:20 – 13:40	Stage 2	Digital Innovations are transforming our world. From Reality Capture and Automation to Generative Design, VR and AR to equipment monitoring to prevent failure and unnecessary maintenance	Joe Charles, Engineering Manager – GHD	Digital/Tech; Business/Operational; Process/Controls
13:40 – 14:00	Stage 2	Topline Growth through Digitalisation: Industry 4.0 Insights for Executives	Dr. Peter Colman, Partner – Simon-Kucher & Partners	Digital/Tech; Business/Operational
14:00 – 14:15	Stage 1	Evolution of the cosmeceutical	Raymond Gransby, Technical and Regulatory consultant – Aromatherapy Trade Council	Green/Sustainability;
14:00 – 14:30	Stage 2	Digitalisation changes everything	Ian Elsby, Head of Chemical Industry GB&I – Siemens plc	KEYNOTE; Digital/Tech; Sector Insight; Business/Operational; HSE/Regulatory
14:15 – 14:30	Stage 1	Trends in Household Care, an (Eco)logical Approach	Daren Upton, Senior Technical Development Manager H,I&I and Sarah Farrah, Technical Development Manager HI&I, Surfachem	Sector Insight; Green/Sustainability; HSE/Regulatory
14:30 – 14:45	Stage 1	Opportunities in novel nano-additives to enhance the durability of functional surfaces for industrial application	Professor Geraldine Durand, Section Manager – Functional coatings and resins – TWi Ltd	R&D/Lab; Sector Insight
14:30 – 14:45	Stage 2	Deploying a digital joint integrity management solution to support physical joint tagging	Christian Oram, Manager – Elisian Limited	HSE/Regulatory; Digital/Tech;
14:45 – 15:00	Stage 1	Workforce Challenges in the UK Chemical Industry Chemicals UK & Europe – NES Global Talent	Lee Lovekin, Recruitment Manager, Business/Operational	Skills & Training;
15:00 – 15:15	Stage 1	Latest transport regulations for dangerous goods	Caroline Raine, Chairman – BADGP – The British Association of Dangerous Goods Professionals	Logistics/Contract; HSE/Regulatory
15:00 – 15:15	Stage 2	Technology Strategy Toolkit: The R&D Managers' Secret Weapon	Rob Munro, Associate Industrial Fellow – The Institute for Manufacturing, University of Cambridge	R&D/Lab; Business/Operational
15:15 – 15:30	Stage 1	SIL Certification 'Value or Vanity?'	Paulo Oliveira, Associate Director – Engineering Safety Consultants Ltd	HSE/Regulatory; Business/Operational
15:15 – 15:30	Stage 2	Taking Safety Global	Scott Harding, Sales Director – Woodcock & Wilson Ltd	Business/Operational; HSE/Regulatory
